COURSE DESCRIPTION: The primary purpose of the Cosmetology course is to train the student in basic manipulative skills, safety judgments, proper work habits and desirable attitudes necessary to achieve competency in job entry-level skills, obtain licensure, and gainful employment in the field of cosmetology or related career fields.

COURSE OBJECTIVES: Upon completion of the course requirements, the determined graduate will be able to:

1. Project a positive attitude and a sense of personal integrity and self-confidence.
2. Practice effective communication skills, visual poise, and proper grooming.
3. Respect the need to deliver worthy service for value received in an employer-employee relationship.
4. Perform the basic manipulative skills in the areas of hair care, skin care and nail care.
5. Perform the basic analytical skills to determine appropriate hair care, skin care, and nail care services to achieve the best total look for each client.
6. Apply academic and practical learning and related information to ensure sound judgements, decisions, and procedures.

To ensure continued career success, the graduate will continue to learn new and current information related to skills, trends, and methods for career development in cosmetology and related fields.

REFERENCES: A comprehensive resource center of references, periodicals, books, texts, audio/video cd's, and on-line resources are available to support the course of study and supplement student training. Students should avail themselves of the opportunity to use these extensive materials.

INSTRUCTIONAL METHODS: The clock-hour education is provided through a sequential set of learning steps which address specific tasks necessary for State Board preparation, graduation, and entry-level job skills. Student salon equipment, implements, and products are comparable to those used in the industry. Each student will receive instruction that relates to the performance of useful, creative, and productive career-oriented activities. The course is presented through comprehensive lesson plans that reflect effective educational methods. Subjects are presented by means of interactive lecture, demonstration, and interactive student

participation. Audiovisual aids, guest speakers, field trips, projects, activities, and other related learning methods are incorporated throughout the course of study.

GRADING PROCEDURES: Students are assigned academic learning units and a minimum number of practical experiences required for course completion. Academic learning is evaluated after each unit of study. Practical skills learning is evaluated as completed and counted toward course completion only when rated as satisfactory or better. Practical skills are evaluated according to text procedures as set forth in the Practical Cosmetology Skills Competency Evaluation Criteria. Students must maintain a written grade average of 75% and pass a written and practical exam prior to graduation. Students must make up for failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

Written:	90-100	EXCELLENT	Practical:	90-100	EXCELLENT
	80-89	VERY GOOD		80-89	VERY GOOD
	70-79	SATISFACTORY		70-79	SATISFACTORY
